Thanks to the support of RACQ, QTIC have launched the inaugural RACQ People's Choice Award .This category will be completely independent from the judging process and will come down to consumer choice – tourism operators will be able to connect with visitors and followers to encourage them to vote.

In its inaugural year, the RACQ People's Choice Award will be split over two segments – Experiences and Services, and Accommodation - with voting open to the public and managed by RACQ.

A Gold winner only will be announced for both segments based on the highest number of votes they each receive. Voting will open once submissions have closed in August and will be open until Friday, 14 September 2018.

The winners will be announced at the Gala Awards Ceremony on Friday, 16 November 2018. More details will follow throughout the year.
